YL Council Keeps Salaries

Yorba Linda councilmen will continue to receive salaries following the failure of a motion by Mayor George Machado rescinding salaries for lack of a second.

Councilmen Henry Wedaa, Roland Bigonger, and Whit Cromwell favored retaining salaries for paying the expenses of being a councilman. They also favored retaining the gentlemen's agreement among the former council not to turn in an expense account.

Councilman Rudolph Castro said that he would accept the salary but would use it to set up a trust fund for the city for the purchase of needed equipment.

Machado said that he saw no need for salaries and that he was still opposed to them. Councilmen receive \$150 per month, the amount set by state law.

The council appealed tentative tract map 6915 for an area in the Fairmont Boulevard area south of Yorba Linda Boulevard. It will be heard at the May 18 meeting. The vote was 4-1 with Cromwell dissenting.

The council set June 1 as the time for a protest hearing on annexation of the area north of Orangethorpe and east of Imperial Highway known as Fairgreen, Fairview, and Fairbrook.

A large number of people from the area were presented at the meeting and spoke in opposition to

the annexation mainly because they did not want the apartments included in the annexation.

Councilmen authorized a four way stop at Van Buren and Buena Vista, changed the stop sign at Ohio and Oriente from Oriente to Ohio, and referred a request for a yellow light at Yorba Linda Boulevard and Mountain View back to the Traffic Committee.

Councilmen decided to postpone the proposed abandonment of Main Street between Imperial and Yorba Linda and Plumosa between Imperial and Lemon until 60 days after Imperial Highway widening is completed.

Councilmen approved a summer recreation program to be held at Rose Drive and Mabel Paine schools. Cost of the program would be about \$6,000. It will include a tiny tot program, various classes, arts and crafts, and playground programs.

School Board Studies Budget Again

Last Wednesday evening the Board of Education met again to try to find ways to cut the school budget.

After meeting for three hours the Board issued the following statement.

"Every member of your Board wishes to reaffirm his desire to involve all segments of the school-community family in developing plans for our district.

"The Board hopes that the

Budget Advisory Committee, the Educational Facilities Planning Committee and the Curriculum Steering Committee will be fully represented by all members when they next convene.

"A copy of this statement will be sent to the respective presidents of PUEA, PUPA and CSEA.

"We would like to reaffirm that all present teaching personnel will be retained by the District for the 1970-71 school year and that no new hiring will take place until the pupil-teacher ratio reaches 28:1 at the High School level (9-12) and 30:1 at the Intermediate Level (7-8), at which time teaching personnel will be added only as needed to maintain that ceiling. In the event of resignations, replacements will be employed at the discretion of the administrative staff."

Also at this time Dr. Murrell M. Miller, Superintendent, made a statement as follows.

"I have recommended additional possible budget reduction to the Board beyond that reflected in Preliminary Budget No. 2 and the Board has studied these carefully as a means of achieving further substantial savings, yet maintain a quality educational program with a minimal impact on personnel. As a result of these additional recommendations, the Board has directed me to proceed to confer with the Budget Advisory Committee and the Negotiations Council to seek their reaction and recommendation regarding these possible reductions. Following these discussions, I will report the Committees' respective recommendations back to the Board for their action as necessary."

State Colleges Closed Down

Governor Ronald Reagan issued an order yesterday closing all campuses of the University of California and the State Colleges at midnight last night. They are to remain closed through Sunday.

According to Cal State Fullerton officials, college operations will be restricted to essential maintenance.

All offices will be closed and all public events cancelled.

Overmyer Appeal Denied

The Placentia City Council denied an appeal by the D. H. Overmyer Co. and required that the company install a 12 inch water main in front of their property at Crowther and Melrose which they want to develop as a warehouse.

Overmyer had appealed Planning Commission action requiring the installation of the main for fire protection reasons.

A parcel map for the same property was continued for two weeks to allow the developer to decide what further action he wishes to take.

A hearing on a use permit to allow a Fotomat in a gas station at Rose Drive and Yorba Linda Boulevard has been set for June 2 by the Council. The company is appealing the denial of their application by the Planning Commission.

Terry Walling of the Recreation and Parks Commission gave a report on the progress of the Teen Advisory Cabinet set up recently. They have outlined a policy and statement of goals which were presented to the council.

The problem of whether the storage of dump trucks overnight at 162 E. Orangethorpe by David Williams is a permitted use in the planned manufacturing zone was referred to the staff for a report to the Planning Commission.

Mr. and Mrs. Ed Backs stand beside the official dedication plaque honoring them which will be placed permanently in the Backs Community Building as a memorial to them. For more pictures see page 7.

Backs Building Dedicated

Climaxed by a stirring rendition of "Trees" sung by honored guest Ed Backs, the Edward and Angeline Backs Community Building in Kraemer Memorial Park was formally dedicated by the city Sunday afternoon.

An overflow crowd heard Mayor Robert Finnell, Congressman Charles Wiggins, and Mr. and Mrs. Backs make speeches and presentations during the afternoon.

Wiggins presented the city with the keys to the building and with a flag which has flown over the nation's capitol building.

Finnell introduced the many city officials and school district officials present for the event and then introduced Mr. and Mrs. Backs for the official unveiling of the plaques which will be

permanently installed in the building.

Finnell also outlined the contributions the Backs' have made to the city over the years, from their first gift of Kraemer Park in 1953 to the gift of a site for a city yard recently.

Backs, who sung professionally many years ago, ended the program with a surprise presentation of the song "Trees" providing a fitting climax to a memorable day.

Music for the program was provided by the Brass Ensemble of the Placentia After School Conservatory of Music and by the Placentia Youth Orchestra under the direction of William W. Foster. Vick Knight of the Placentia Unified School District gave the welcoming speech.

Clean-Up Week To Begin Soon

It's clean up time in Placentia. The week of May 9 to May 16 has been established as Clean Up Week, in conjunction with National Public Works Week. At last you can effortlessly remove that accumulated 'junk'!

On Saturday May 9, and Saturday May 16, from 9 a.m. til 3 p.m., large disposal trucks will be stationed at four key pick up points in the city. Residents are encouraged to take oversized trash to these points, for delivery to the County disposal site.

The established pick up points are

1. South side of Orangethorpe at Ohio, west of the Freeway
2. East side of Bradford, north of Chapman, opposite

Firemen Respond To Calls

The warmer weather and the gusty winds are combining to create hazardous fire conditions in our grassy areas. Last week Placentia firemen rolled to three such fires in the city.

On April 26, they extinguished a fire at the northwest corner of Bastanchury and Kraemer, where they found a pile of wooden stakes also involved.

A grass fire on the west side of the Orange Freeway, near Orangethorpe, was quelled on April 27 midmorning, and on April 30, a field fire in the area north of 653 No. Melrose was extinguished.

Engine companies rolled to a structure fire reported on April 24, where they found that an overheated pan of grease had ignited curtains in the kitchen. When the fire was extinguished, the surrounding area was checked for further fire. Before they left the scene, the smoke ejector fan was used to clear the building of acrid smoke.

A gas clothes dryer with an accumulation of lint caused a small fire at 730 Moonbeam on April 25. The fire had been extinguished by the time the firemen arrived so they removed the charred material and recommended to the home owner that the appliance be checked by a service man before further use.

R-3 Before Commission Trustees Meet

Four zone changes applied for by Irvin Chapman for property in the area of Alta Vista Street and Morse Avenue will be on the Placentia Planning Commission's May 12 agenda.

The applications were continued from last week because the applicant was unable to be present at the last commission meeting.

the park.

3. North side of Bastanchury, west of Kraemer Blvd.

4. South side of Yorba Linda Blvd. east of Valencia Ave.

To accomodate the disposal of items such as water heaters, refrigerators, etc., special trucks will be stationed at two of these sites each Saturday. On May 9 an oversized walk-in truck will be stationed at Orangethorpe Location and one will be at the Bradford Location. On May 16, the oversized trucks will be stationed at the Bastanchury and the Yorba Linda Blvd. locations.

This service is provided by the Department of Public Works of the City of Placentia.

Census Nears Its Completion

M. Roy Knauff, Jr., district manager, reports that the 1970 Census of population and housing is nearing completion in this area, and that in another week the census takers should have visited every residence on their lists.

The census takers are calling at homes from which no questionnaires were mailed back, as well as at those from which questionnaires were returned incompletely filled out.

The district manager pointed out that residents can speed up the big count by having the information that is asked for on the form ready to give to the census taker.

He emphasized that all information about individuals and their homes furnished to the Census Bureau is held in absolute confidence under Federal law. It is used only to provide summary figures such as totals, averages, and percentages. The information cannot be examined by any one other than census employees who are sworn to secrecy.

The monthly meeting of the Board of Trustees of the Yorba Linda District Library will be held this evening at 7:30 in the library.

Items to be discussed include library expansion plans, summer reading program, general budget expenditures, and a salary discussion.

Work On Parkette Program To Start

Construction work on the Placentia Jaycees Parkette began on Saturday, April 25th when the site was cleared and rough graded. A number of Jaycees turned out early to help supervise the spreading of several loads of top soil but the real work then got underway when the Jaycees began wielding rakes and shovels to complete the rough grading.

About the time most of the Jaycees were working up a good set of blisters, the Jaycettes brought down coffee and donuts. Parkette chairman Lyle Hallett then got everyone back to work and grading was completed by noon.

Most of the spreading of the top soil was done by Regan Contractors who brought down a tractor. The top soil was donated by Shell Oil Co.

The next step in construction will be installing the sprinklers and cement work. The Jaycees expect to get into this phase as soon as they get proper approval of their plans, possibly around the first part of June.

After that, the Jaycees and Jaycettes will be attending the State Convention in Palm Springs on May 15-17 to elect state officers for the coming fiscal year.

Youths Plan Clean-Up

A meeting of scout and 4-H youth leaders sponsored by the Yorba Linda Trail Coordinators will be held tonight at the home of Jerry Gorman, 18732 Avolinda, Yorba Linda, at 8 o'clock to plan a clean up campaign planned to begin May 16.

Gorman said that the group would use members of these youth groups to canvass the entire city picking up litter and trash and generally cleaning up the city.

Application To Be Reviewed

Consideration of a variance and a tentative tract map submitted by Earl Kaltenbach to allow a townhouse development on 13.4 acres along Golden Avenue east of Valencia Avenue in the R-3 zone will continue at the May 12 meeting of the Placentia Planning Commission.

A use permit to allow the use on the property was approved at the last meeting.

Commissioners pointed out that Kaltenbach was proposing a much less dense use than could be allowed on the property. In an R-3 zone

densities up to 30 units per acre are allowed. He is proposing about 12 units per acre.

The development would consist of a series of row houses, each unit being privately owned. Approximately 160 units would be built on the property.

The variance is necessary to allow each unit to be sold since the lots would be far smaller than required under the R-3 ordinance. A large part of the property would be under common ownership as an open area.

When police arrived at the scene, they found that both drivers had been injured and ambulances removed the men to Orange County Medical Center. Stephens suffered facial lacerations, while Sens is being treated for foot and leg injuries.

Mary Lee Will Continue As Miss Yorba Linda

The Yorba Linda Jaycees announced that Mary Lee Notterman, Miss Yorba Linda, will retain the title for another year. Mary Lee was chosen as Miss Yorba Linda at Yorba Linda's annual fiesta days celebration held in October 1969.

When chosen as the annual Queen, Mary Lee was only 16 years old. Because of her age, she has not been able to compete in other pageants throughout the year. According to Leo Richards Jaycee president, Mary Lee has had all the work of being the city Queen, but none of the glory that goes with the title or any of the fun. For this reason, it has been decided that she will continue to hold the title for another year and be able to participate as she should have for the past

Fullerton Will Celebrate Hospital Week

Fullerton Community Hospital again will observe National Hospital Week, which starts May 10 and continues through May 16. For three years the Fullerton Community Hospital has marked the Florence Nightingale birthday with a program, hosting the office nurses at lunch and tours through the hospital facility.

This year the hospital has changed the format of its program, and while still hosting the office nurses

with the luncheons on May 12, 13 and 14 the program has an added value, according to Harry Stewart, administrator of the hospital. "Through the suggestion of the medical staff," said Mr. Stewart, "we will demonstrate the Cardio Pulmonary Resuscitation procedures to show the value of team work during emergencies." It has been felt that this

demonstration will be of great value to the office nurse, which, in many cases, requires the cooperation and quick thinking of the nurse in the doctor's office, continued Mr. Stewart.

An added attraction will be a "sneak" preview of the new ICU (intensive care unit) that will be open soon.

It is estimated that 7000

hospitals across the nation will be observing the National Hospital Week, honoring the memory of Florence Nightingale. Over the weekend, invitations will be received by doctors in the area, asking that representatives from their office join with the hospital staff. Limited accommodations for the luncheons has made it a requirement that those planning to attend call, Mrs. Sue Chambers at 871-1120 and state which day they can come. Daily attendance is limited 50 persons.

"We are looking forward to seeing you on this occasion", said Mr. Stewart in his letter of invitation, "where we can share information, renew old acquaintances and meet persons new to the area."

Sigma Phi Holds Breakfast

The first executive board of the newly organized Orange Coast California Council of Beta Sigma Phi will be installed at a breakfast meeting to be held May 9, at the Grand Hotel in Anaheim.

Mrs. Earl Thomas Jr. will become the first president of this sixth state level council of Beta Sigma Phi in California. Serving with her on the board are Mrs. Hal Martin of Santa Ana, vice-president; Mrs. Allen Felex of Huntington Beach, recording secretary; Mrs. James Eales of San Clemente, corresponding secretary, Mrs. James Trears of Anaheim, treasurer; Mrs. Charles Seamer of Orange, press chairman; and Mrs. Tom Bouse of Garden Grove, directory chairman.

The installing officer will be Mrs. Fred Dobbs, current President of the Southern California Council of Beta Sigma Phi. Attending as a guest, will be Virginia Popkins, President-elect of the Southern California Council.

Attending the breakfast from Northern Orange County Council will be Mrs. William Hughes, Yorba Linda, of Xi Iota Phi Chapter; Mrs. Charles Agte, Xi Eta Eta Chapter and Mrs. Robert Rankin, Xi Gamma Epsilon Chapter, both of Anaheim.

Mrs. William Hughes will open her Yorba Linda home Thursday evening at 8:00 p.m. for a meeting of the 1969-70 and 1970-71 executive boards. Plans will be discussed for the coming year.

Pony-Colts Hold Dance

Final plans for the "BID-A-BUY" dance, sponsored by the Placentia-Yorba Linda Pony-Colt League, to be held Saturday, May 9th at the Placentia Round Table club house on Bradford Ave. in Placentia have been completed. Mrs. Steve Ward, ticket chairman, says there are still tickets available, but time is short. She can be reached at 524-0608 for reservations.

The May 'get together' will be held at the home of Mrs. Isabel Worden, 807 Lark. In honor of President Nixon, who was born in Yorba Linda, a pink azalea bush has been planted near the front door of the clubhouse.

The President's mother, the late Mrs. Hannah Nixon, was a charter member of the Yorba Linda Women's Club. Several years ago a "Peace" rose bush was planted in her honor on the clubhouse grounds.

The flower show, which is believed to be the oldest and largest in Orange County, is presented as a community service by the home and garden section of the Woman's Club. The public is invited to enter the show with flower arrangements and/or horticulture specimens. A program of show rules is available at the Yorba Linda District Library or by contacting Mrs. Drury, 4721 Avocado, Yorba Linda.

Atwood Suit Hearing Date Delayed Until May 27 By Attorney Agreement

The court hearing on the suit against the Atwood annexation to Placentia will be held May 27 following the filing of a stipulation between attorneys for the city and for the plaintiffs to postpone the hearing. The suit was filed by A.A. Adams and Ernest Danker, who own land in the annexation area. The Anaheim City Council has authorized its city attorney's office to participate in the suit. City Administrator Edwin T. Powell said that the agreement to postpone the hearing includes a provision allowing the City Council to canvass the ballots and make all preparations for submission to the Secretary of State so that such action can be taken if the suit is resolved in Placentia's favor.

City Attorney Howard Block commented, "I do not think the court will sustain them. Placentia complied with the law." Powell commented earlier after reading the charges in the suit, "I think it is just harassment." The first charge in the suit is that the city ignored a protest of over \$200,000 submitted by Mobil Oil on Feb. 20 more than a month after the protest hearing was closed. Mobil had filed a protest earlier but had left off this large parcel. The error was not discovered until it was too late. Block said that the law makes no provisions for correcting such errors.

The second charge is that Placentia illegally included almost \$40,000 in public lands in the total assessed valuation. The property included consists mainly of Orange Grove Ave., which is owned in fee by the county. Block said that only easements or improvements on easements cannot be included in the assessed valuation.

An amended petition filed a few days later also charged that the election was held too soon after the protest hearing was closed and that electioneering took place within 100 feet of the polling place. Block said that the plaintiffs are counting time from the date the resolution was passed calling the election on Feb. 10 rather than the date the hearing was closed on Jan. 16. He said that the law is very specific in saying that the election must be held between 54 and 72 days after the protest hearing is closed.

The suit was filed just four days before the March 24 election in which the voters approved the annexation by a vote of 78 to 46 on a 78.9 per cent voter turnout. Annexation opponents had said that they wanted to remain county because of lower taxes. They said they did not need services. In addition to Adams and Danker, Harold Stern and the City of Anaheim were major opponents of the Placentia annexation.

When action started on annexation Placentia promises the residents of the Atwood community at Van Buren an Orange Grove proper zoning, upgraded sewer and water service, and properly paved streets upon successful completion of the annexation action.

Yorba Linda, Placentia Choose City Councils

Yorba Linda voters will choose a full City Council when they elect five of the 13 candidates running for the seats at next Tuesday's election. Five incumbents are among the hopefuls. They are Mayor Herb Warren, Earl Brooks, Whit Crowell, Roland Biggs, and Bill Ross.

A total of 4,737 voters will be eligible to cast ballots in the city's second council election, but

Callahan, a planning commissioner; Daniel J. O'Halloran, a physician; Harry Dunskey, a former planning commissioner; Dorothy Gibbs, a former deputy city clerk; Curtis Jay Cook, a plant superintendent; Bernard Waskowski, a brewmaster; and J. Vasquez, a

City Administrator Edwin Powell told the City Council Tuesday that the city is not sure that the ordinance was enforceable but that they should try it and see whether they can get any convictions on traffic citations in the area.

The staff was also instructed to see whether a sign warning oncoming traffic of the hazard could legally be placed in the middle of the crosswalk, by the Little League field to further slow traffic.

Two resolutions of intent to close Main Street between Yorba Linda Boulevard and Imperial Highway and Placentia Street between Imperial and 1st Street were passed by the council setting public hearings on the matter for May 4.

Lutherans Hold Anniversary

Redeemer Lutheran Church, 451 W. Madison Avenue, Placentia, is one of 4,880 congregations of the American Lutheran Church involved in observing the 10th anniversary of the denomination's formation through the merger of four Lutheran groups.

The emphasis throughout the denomination is on parish evangelism and community service. As a first step toward both of these goals, the local congregation has gathered a group of persons who have agreed to "put God first" for the month of May. It involves the discipline of prayer and Bible study, tithing, service to others, weekly group meetings, and telling others about their experiences.

During the month of May every member of the congregation in Placentia will be invited to the home of another member.

Walz To Represent Church

The Rev. Erwin G. Walz, pastor of Redeemer Lutheran Church, 451 W. Madison Avenue, Placentia, and Mrs. Elizabeth Lambert, lay delegate, will represent their congregation at the tenth annual convention of the South Pacific District of the American Lutheran Church, May 5-8 at the Convention Center, Fresno.

The convention brings together 700 lay and clergy delegates from 295 congregations in six western states, including Hawaii, and serves to air policies, review programs, approve proposals and elect officers for the District. President of the 175,000 member District is The Rt. Rev.

Mother's Day Is Observed

Mother's Day observances will take place in both services of worship at St. Stephen's Lutheran Church as well as in the Sunday School exercises. At both the 8 a.m. service and the 10:45 a.m. hour, the Mother's Day meaningfulness will be signified in the exchange of marriage vows of the husbands and wives present at worship.

In the Sunday School services, the Mother's Day occasion will involve two exercises beginning with the Sacrament of Holy Baptism for the children not yet baptized, and then followed by the bringing of gifts, namely, boxes of color crayons which will be boxed and shipped to the students of St. Paulus Lutheran School in Wabarama, New Guinea. The majority of the children have never seen or used colored crayons in their study of the scriptures.

Gaylerd Falde, L.H.D.

"Owe No One... Except to Love" is the theme of the four-day meet. Crises issues confronting the church in the city, among migrant workers and other concerns of the day will be discussed in small groups by the convention.

The President of the American Lutheran Church, The Rt. Rev. Fredrik A. Schiotz, D.D., Minnesota, and The Rt. Rev. William Hordern, T.H.D., President of Lutheran Theological Seminary, University of Saskatchewan, Saskatoon, Sask., Canada, are among the prominent speakers.

Banquet To Be Held

Members and guests of Lark Ellen Christian Church will meet Saturday, May 9 for the annual Mother-Daughter banquet at 6:00 p.m. in the main sanctuary. The meal is being prepared and served by the men of the church under the chairmanship of Mr. Lloyd Wilson. Mr. and Mrs. Backs Deserve Our Thanks

The overwhelming generosity of two long time Placentia citizens was justly rewarded with the dedication of the Edward and Angeline Backs Community Building in Kraemer Park Sunday.

We wish to commend the Backs' not only for their generosity but also for their farsightedness in foreseeing the need Placentia would one day have for such a fine park as we now have in Kraemer Memorial Park as far back as 1953, when they presented the ten acre site to the city.

"What can I say", has been the comment of both Mayor Jack Gomez and Mayor Robert Finnell as Mr. and Mrs. Backs have answered the needs of the city in so many ways. We can only echo that statement.

Words are inadequate to describe the appreciation felt by all the citizens of Placentia at the repeated generosity of the Backs family.

Not only did they give the city the original park site but they have also been active in purchasing lots along Chapman Avenue to add to the park. Their latest contribution was the former American Legion Hall which used to stand on Chapman at Murray Street.

Other outstanding contributions have been the site for the new civic center at Kraemer Boulevard and Chapman Avenue given last December and more recently a parcel of land under a long term lease for a new city yard to replace the present cramped facilities.

We wish to commend Mr. and Mrs. Backs for their great generosity to the city of Placentia and to the citizens of Placentia and for their great foresight 17 years ago when they gave Kraemer Park to the city.

Make This A Better Day

by Dr. Maxwell S. Cagan

"For every ill beneath the sun,
There is some remedy, or none;
Should there be one, resolve to find it,
If not, submit, and never mind it"
Take these lines written years ago by an unknown

sage to heart and try to live by them. They will surely eliminate needless fears, worries, sorrow and heartache for you and those around you.

This does not mean that you should become a fatalist, say "Que sera se-

ra" and do nothing to avoid pain, trouble or misery. It does not mean that you should not try to better yourself and learn from the mistakes made. It does not mean that you should sit idly by and wait until opportunity actually "knocks you over."

It means only not to wait but do something. It means learning how to face problems realistically and do the best you can under the circumstances. It means not wishing that the iron get hot for you but to strike it and make it hot...

Of what use is it to mope, to blame others, to bemoan fate or your so-called bad luck? It will tend only to make things harder for you and aggravate the existing situation.

Lowell, the poet, put it so wisely when he said: "There's no use to argue or bemoan the inevitable. The only good argument against a cold blustery wind is to stay inside or else wear an overcoat..."

Mormons Present Shows

The annual road shows held by the Church of Jesus Christ of Latter Day Saints were presented last Friday evening in their new stake center on Livingston, in Placentia.

The Yorba Linda Ward put on a show entitled "Happiness is Living in America." The major roles were played by Lark Turner, who played a German exchange student, and Manola Arroniz, who

played a Spanish exchange student. About 30 people headed up the rest of the cast.

Also, that night, were six other shows, which were put on by six other wards. They all ran about 15 minutes, and all were to be judged for best music, best choreography, best play, best costumes, best scenery, best director, best script, and on originality.

SALUD:

En el presente enfermedades veneras son las enfermedades contagiosas mas reportadas comunente en California. Hay cinco clases de estas enfermedades. La mas seria es sifilis y le sigue gonorrea que es las mas comun. De acuerdo con las estadisticas de salud publica, sifilis y gonorrea especialmente, prevalece mas entre las edades de 15 a 29 anos en California.

En la guerra mundial (segunda) este problema se controlo, con bastante exito pero desde el 1955, casos se han reportado con mucha frecuencia y el Departamento de Salud Publica de la nacion ha lanzado un programa para combatirlo pero aun el problema no se ha eradicado. El problema de sifilis en el presente es menos precario que el de gonorrea. Se necesita una campana enorme para combatir gonorrea en el estado de California. Mas de 90,000 casos de esta enfermedad se reportaron en el ano 1969. Muchas de las razones por las cuales se atribuye el problema existente es debido a la estructura social y economica del presente: prosperidad, enfermedades sociales como delincuencia juvenil, adiccion a drogas, alcoholismo, enfasis en sexo, promiscuidad, teatros, libros etc.

WHAT IS GONORREA?

Es una enfermedad infecciosa causada por una bacteria. Es transmitida a

traves de contacto intimo con una persona infectada.

SINTOMAS

Los sintomas de gonorrea en el hombre son por lo general; ardor y dolor al orinar acompanado de un deshechopurulento. Esto ocurre de 2 a 6 dias despues de haber estado en contacto intimo con una persona infectada. Es posible tener gonorrea del recto y los sintomas son irritacion y deshecho.

En la mujer, debido a su estructura fisica y anatomica, los sintomas a veces pasan sin notarse o sentirse y sin saberlo puede que siga propagando la enfermedad a otras personas y su propia infeccion siga progresando hacia serias complicaciones.

TRATAMIENTO

Kraemer In Contest Finals

Students, representing Kraemer Intermediate School in Placentia, survived a grueling question and answer session in a history contest Friday evening at Valencia Auditorium. Kraemer is one of three schools in the Northern County Area to

win in the Placentia-Yorba Linda Heritage Society's third annual Orange County History Contest. Also surviving among thirteen northern area competing schools were, Ladera Vista and Wilshire Junior High Schools, both of Fullerton.

Because of the magnitude of the contest on United States history, the Constitution, and current events affecting national affairs, three unique regional contests were held last weekend. Competitions were held on Saturday morning at Saddleback High School Forum for the schools in the central area, and the coastal area contest was held in the afternoon, there.

ED Ecology Group Acts

Save those old peanut butter jars and non-returnable bottles. They're good for something after all!

In an effort to "make the ecological movement a yearlong concern" the Ecology in Action group at El Dorado High is collecting glass bottles and jars at the EDHS Swap Meet this Saturday.

According to one of the coordinators, Steve Buchmann, the red and white ecology club booth will serve 3 functions. Members will distribute literature on recycling and the environmental crisis and sell cokes.

Most important, however, the booth will serve as a collection point for old soft drink bottles, baby food jars, and glass containers.

It is hoped that parents will encourage their children to participate by collecting jars & bottles during the week and then turning the glass in Saturday as a public service.

PLUS Students Make Film

Thirty-eight students from the 4th, 5th and 6th grades, who are in the Plus Program at Glenknoll Elementary School, have made a film entitled "Welcome to Glenknoll and the Placentia Unified School District".

In making this film they made up the original script, came up with the title, narrated it and filmed it by themselves. They used 7 rolls to come up with a ten minute movie and did all their own editing.

They are entering this film in the Orange County

Questionnaires

Distributed

In recent days the P.T.A. Boards of all Placentia Unified School District Elementary schools and the student councils of high schools and intermediate schools have received a food services questionnaire.

They are asked to fill these out to the best of their ability and return them to the Committee for tabulation and evaluation.

It is hoped that these answers will help the Food Services to provide the lunches the children and parents would like to have.

Film Festival which is sponsored by the Orange County Department of Education.

They hope to show this film to any new families that are moving into the area of Glenknolls to acquaint them with their school and School District.

VHS Boosters To Hold Dinner

The Valencia High School Booster Club will hold their 2nd annual enchilada dinner in the high school cafeteria on Friday May 8th from 5 to 7 p.m. The dinner is being held immediately prior to the track finals to be held at the school. The dinner will consist of enchiladas, beans, rice, salads, ice cream coffee, and milk.

Chairman, Mrs. Tony Lopez, who is being assisted by all the booster club members said tickets are now available from all the members or may be purchased at the door for \$1.50 for adults, and \$.75 for children. Booster club members recommend bringing the whole family for a delightful authentic Mexican dinner.

Flower Show Is Held

A Flower Show and Open House was presented last Tuesday evening at the Richard Nixon Elementary School in Yorba Linda in observance of National Schools Week.

The theme carried throughout the classrooms was conservation, with posters, slogans, and projects depicting the Ecology cause, covering the campus.

Along with classroom visitation, parents and friends were entertained with a puppet show put on by the sixth grade students.

Flowers were arranged by the students and were on display in the individual classrooms. Awards of first, second, third and honorable

mention were presented in each room by judges Helen Grier and Claude Christopher, Yorba Linda Florist and by three art students from Troy High School, Denise Poteate, Rhonda Hardy and Roxanne Birdsall.

Flowers were arranged to fit under one of eight classifications: Cut Flower A, Cut Flower B, Miniature, Conservation, Vegetables, Dry Arrangement, Succulent, and Foliage.

Said Mrs. Linda Franson, "The children are very proud of their works. They've worked hard."

Coffee, punch and cookies were provided and served by the PTA.

Drill Team To Hold Show

Swords, flags, hobby-horses, and tomahawks are all part of the "Salute to the Military or What Did You Do in the War, Gran'pappy?" the El Dorado High drill team spring show.

To be held in the EDHS gym May 9 at 7:30 pm, the performance will use a dialog between a little boy (Harold Woznichak) and his grandparents (D Anne McMannis and Mike Radding) to move from

dance to dance.

The whole show takes the audience to the living room in the grandparents' home with the backdrops and setting formed by a series of living room pictures.

Through the grandfathers stories, the audience will be taken on a fanciful reenactment of the American military services.

Tickets for the Second Annual Drill Team Show are \$1 and \$.50 for children under 12.

EDHS Holds Swap Meet

"You are cordially invited, and don't forget to bring your money."

Bradford Field behind the Bradford Stadium on Madison Avenue will be the place of El Dorado High School's Second Annual Swap Meet, Saturday May 9 from 7 a.m. to 4 p.m.

Booths for selling and swapping, games and refreshments will be offered at the high school's annual fund-raiser and the general public is welcome to sell, bargain, swap, or just browse.

It is still possible to purchase a seller's permit/certificate to "set up shop" at the swap meet

both now and the day of the meet. While most of the booths are run by school organizations and clubs, anyone can collect odds and ends to sell for a profit.

"This is our big fund raising event of the year," Richard Flanagan, meet chairman announces. "We really hope to make a lot of money. Everyone should come."

Prices for general admission tickets to the swap meet are 25 cents and \$3.50 for sellers permits/certificates. For more information, people should contact Charles Smith, El Dorado activities director, at 524-4371.

This is one of the many flower displays which were on view at Richard Nixon School in Yorba Linda during public schools week. All of the displays were the work of students in the classrooms.

Hawks Host Dance Concert

"Something Beyond" is the theme of El Dorado's spring modern dance concert next Friday night, May 15 at 8 pm in the EDHS Lecture Hall.

Presented by the 27 members of the advance dance class at El Dorado, the dance concert will feature choreography to music of Rod McKuen and various selections from "The Sea" and "2001".

"It's more than just interesting movements, for the girls will be attempting to communicate a thought, or a mood, or a feeling."

Budget Group Lacks Quorum

The Budget Advisory Committee met on Monday evening and after roll call was taken it was found that a quorum was not present and the meeting was adjourned.

They then held a public hearing in which all people present could participate.

Miss Sue Grant, dance instructor relates.

The dancers, all seniors, are making their own costumes and many of them are dancing in more than one number.

Among the numbers presented at the concert will be "Concerto for Three Hands," "Jean," "Something Beyond," "It's Raining," "Night Talk," and "Pushing the Clouds Away" by McKuen.

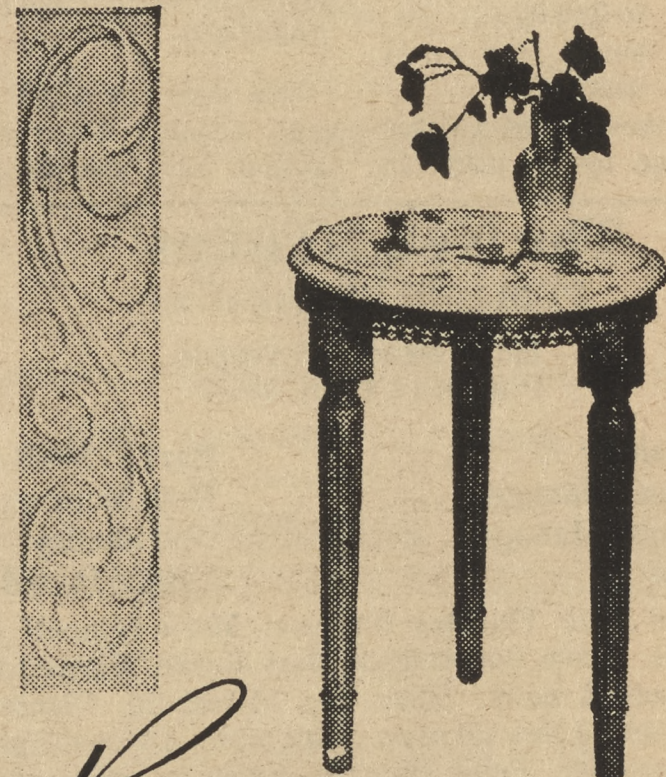

"Serenade to a Cuckoo" by Jethro Tull, "Afternoon Shadows" from "The Sea", and Van Morrison's "Moon Dance" as well as "Space Odyssey" and the theme from "Romeo and Juliet" will be used. Other dances will be "Dance Macabre" and "This Little Bird."

Miss Grant is enthusiastic. "They have worked very hard," she smiles "And I feel their program will be an exciting one."

Tickets for the Friday dance concert will be \$1 and \$.50 for children under 12.

ED Drill Team To Perform

Adding the icing to the cake is the little extra that makes life more fun.

And if winning first place in state competition at Arroyo last April 18 was the cake for El Dorado's drill team, the icing was being invited to perform at a Rams home game.

For their superior showmanship, enthusiasm and ability, the same qualities that netted them state championship, the El Dorado Drill Team has been asked to perform a program routine for the Rams December 6 game at the Coliseum.

Mrs. Pat Hibbard, Rams entertainment representative, complimented the drill team on its poise and felt that inviting them to the event, which will be nationally televised, so far in advance would insure their acceptance.

Other drill team plans for this year include a parade next Saturday, May 16. Mrs. Sally Eyre, advisor for the group, explains that there are several parades on that date, but Don Zinke, band director, has not made definite plans. The most probable parade is the Spring Festival in Orange.

Sophomore Alex Covarrubias of Valencia is seen showing his record breaking form in the Discus. Alex is rated number 1 in the League with a toss of 153' 5" and is one of the top performers in C.I.F. He has broken the school record in the discus several times in the past weeks.

ED Loses To Los Al

El Dorado ended league play in track last Thursday with a 90-37 loss to Los Alamitos.

With only Dennis White, Chris Brombach, Sam Rossi, and the mile relay team winning events, the Hawks were overwhelmed by the Griffins' depth. Only other Varsity scorers were Mike Groth, Mike Ball, Monti Meadows, in the field; Jim Unopolus, Steve Pugh, Rodger Campbell, and Brent Wood on the track.

Completing the Orange League in fourth place, El Dorado compiled a 3-3-1 record, and overall record of 4-4-1.

Tuesday, May 5, the Orange League Prelims will take place. Then on Friday, May 9, the finals will be held at Valencia High School in Bradford Stadium from 7:30 until 11:00 p.m.

So far Los Alamitos is in first place with a perfect 7-0 record, followed by Katella, 6-1, and Valencia, 5-2. Katella usually drops to compete in Bees and El Dorado is hoping to take Valencia at the finals and come in second.

Finishing the season with a 2-5 record, the Bees and Cees both lost to Los Alamitos.

Bee High jumper, and middle distance runner Dave Bean has led the Bees all season. Against Los Alamitos he ran a personal best in the 660 with a time of 1:30.1.

Other Bee standouts are discus record holder, Dean Brewer, shot put record holder, Mark Davenport and Randy Welch, who cleared 11 feet in the pole vault against the Griffins. Hurdlers Claude Bailey and Bill Brazzle have been consistent all year.

In Cees, Chris Jones and Tom Menn have led the team in the 660 and 180. Also helping out considerably is Mike Moore who joined the team late.

CIF hopefuls are Chris Jones, Tom Menn, Dean Brewer, and Mark Davenport.

In Varsity, Steve Pugh, Dennis White, Sam Rossi, Mike Gorbeth, Chris Brombach, and the mile

relay team have a chance to go to CIF.

ED GAA Beats Sonora

El Dorado's Girls Athletic Association has started spring sports.

Participating in soft ball and swimming, the Hawks will be in a league with Brea, Sonora, Valencia, Sunny Hills, and Buena Park high schools.

Wednesday, April 29, the Hawk swim team defeated Sonora 53-27. The Junior Varsity squeaked by the Raiders 37-35.

Under the direction of Coach Sue Grant, Leslie Claffey, Valerie Harp, Debbie Feola, and Julie Nagy have been the outstanding Varsity swimmers. On the JV level Freshman Sue Tunner and Sophomore Sue Skain have shown fine work. Sue Skain will swim Varsity next meet.

Against Sonora, senior Dianne Culmy took first in diving. This is Dianne's third year on the Varsity diving team. Terry Dowling got a second for her efforts against Sonora. The rest of

Tiger Baseballers Defeated By Katella Knights

Only two Orange League contests remain for the Valencia Tiger baseball team as they sit in a fifth place with Saddleback High School and just one game out of fourth place.

Closing victories over Brea Olinda and Sonora

could mean a first division finish for the club which has not had a very bright season.

Winding up the year, the squad travels to face a very tough Sonora club.

At the mound will be Senior Terry Walling.

VHS Tracksters Win

The Valencia Tigers track team will participate in the Orange League Finals tomorrow night at 8:00 on the Bradford track.

Thanks to a dropped baton on the final leg of the 440 yd. relay run the Tigers under Coach Mike Cummins were able to defeat Sonora 66-61.

For the third straight week, Alex Covarrubias and John Ast broke the old

VHS Frosh Record Win

Last week the team edged Los Amigos 3-2. Dick Stiegner went all the way and pitched a five hitter.

Steve Matych was 2 for 3 from the plate and Barry Loomis drove in two runs.

Against Katella the team was defeated 5-0.

Freshman, Richard Hernandez pitched all seven innings, allowing two earned runs against the undefeated Knights, who also consist of almost all sophomores.

Dave Shields collected two hits in three tries at the bat. Pat Walters, Hernandez and Ernie Gomez also made hits.

Matych is the club's top hitter at .421.

The team traveled to Brea for a 3:15 contest last Monday. Results were not available at press time.

Starters for the season finale are Walters, catcher; Don Hammond, first base; Loomis, second base; Curt Sheetz, third base; and Tom Ricks, short stop. The outfield is still undecided.

school record in the discus. Covarrubias threw 155' 8". Ast' mark was 151' 1 1/2".

The Bees won easily 71-32. Taking firsts for the team were Zielinski, Walker, Thurmond, Saavardo, Larry DeLos Reyes Rangle, Brown and Frantz.

Hawk's Tennis Team Wins

Killing Brea, 26-2, May 1, El Dorado's tennis team now has a league record of 8-3.

However the big match against Katella was lost 20-8. The Hawks are all but mathematically eliminated from gaining a repeat league championship.

Leading the tennis team is number one man, Geoff Pyne and number two singles, Bob Fraser. Also the doubles of Rick Doeblor and Mark Bergmann are playing better in the second round of league action.

Other Varsity regulars are Dewain Campbell, Bob Johnson, Greg Kowalski, and Scott Thorpe.

Hosting Los Alamitos May 8, ends the regular season play for the Hawk netmen. However on May 9 EDHS will participate in the Orange League tennis finals.

El Dorado's Junior Varsity has a record of 7-4 and are in fourth place in league. They whipped Brea last Friday and will be hosting Los Alamitos tomorrow. The JV's don't have league finals so their season ends tomorrow.

Standouts on the JV's have been Doug Hart and Steve Warren.

During the year, Walling has been a very consistent pitcher having a 2-2 won-loss record, throwing 37 innings and striking out 37 men with an earned run average of 2.06.

Last week the Katella Knights dropped Valencia's record to 4-8 with a 4-0 victory.

There were only four hits for the punchless Tigers.

Coach Dick Enright did comment on Katella pitcher Charlie Breinstein saying he did a real good job in keeping the game in control. He also added Breinstein was about the best the team has seen all year.

Monday afternoon the squad traveled to Brea for a 3:15 game.

"Dane Ilertson pitched well in relief the last two games and received the starting call."

The Tigers collected win number four over the Los Amigos Lobos 5-2, last

Tuesday.

Valencia opened up the scoring in the second as a sacrifice fly by Frank Rangel and a single by Raul Davis drove in two runs. Jerry Marmelejo singled in Don Shafer, and Davis to make the score 4-0 before the Lobos got into the scoring column.

Hitting percentages have dropped considerably with Mike Bays still the top hitter, followed by Mark Allen and Terry Walling.

Starting their last games in Tiger uniforms will be Davis, second base; Ace Elloff, third base; Bays, shortstop; Allen, center field; Vitale, left field; Shaffer, catcher. Ilertson and Marmelejo are in the lineup but are underclass men.

Suiting up and sitting on the bench as Seniors are Larry Lopez, Al Salazar, Ron Peterson, and David Shaefer.

VHS Hosts Track Finals

Valencia hosts the Orange League track finals tomorrow night at 6 o'clock

ED JV Coach Very Optimistic

Considered as one of the best infields in the Orange League, by other coaches, El Dorado's Junior Varsity is improving greatly.

Making up the infield is first baseman, John Botich, second, Keith Shequin or Larry Kaplan, third, Greg Pritchett, and short stop Tony Madau.

Coach Don Smith singled out Pritchett and Madau as they are both hitting over .300 besides playing good defense. Coach Smith stated "Pritchett has been an outstanding baserunner."

Smith is very optimistic about the rest of the season. "We could easily win the rest of our games. Our boys are very spirited the second half of this season," he stated.

"Our main problem has been pitching as our catching has been solved with the great improvement of Gene Kleinschmidt," he added. "Also we've been getting hits from Gary Wittaker the second time around." "Jim Ratti and Tony Madau have been invaluable to us all season."

El Dorado lost to Brea last Friday by a score of 5-4. Bob DeWeese came down from Varsity to pitch but the Hawks still lost even though it was a lot closer. Next week they play Los Alamitos to end the season.

on the Bradford track.

"We feel it is going to be a very, very good meet, with four teams battling for the championship, El Dorado, Brea, Los Alamitos and us," were the words from Tiger Coach Mike Cummins and Valencia Athletic Director Dick Enright.

Field events begin at 6 and running events start at 7.

Price of admission is \$1.25 for adults and 50 cents for students with an ASB card.

Other teams competing in the meet are Sonora, Los Amigos, Saddleback and Katella.

Los Alamitos won the regular dual meet championship.

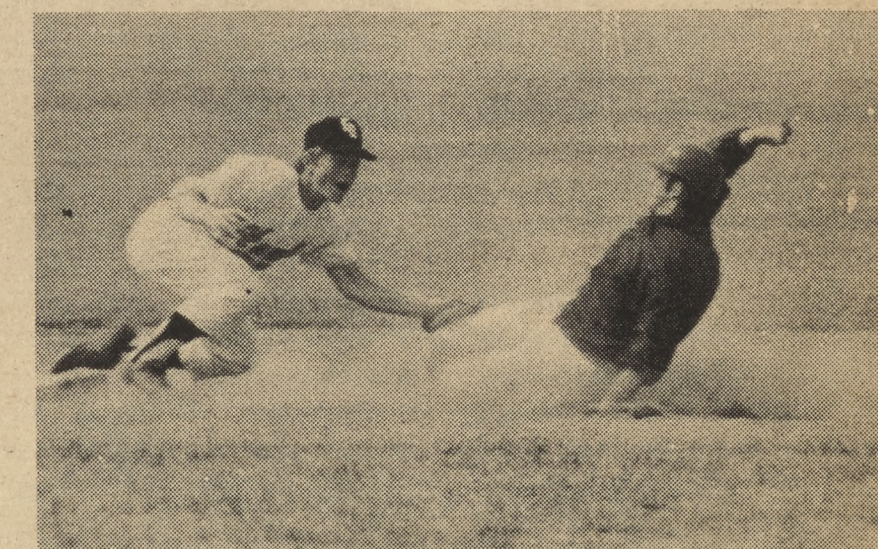

Outstanding performers from the Placentia schools include from El Dorado, Dennis White, 880, best in league and one of top in Orange County. Steve Pugh, fastest 440 in league. In the high jump the Hawks have a real good one-two punch in Corbett and Groth.

The Hawk mile relay team is best in the League. Sam Rossi is the number one shot putter and second best discus thrower in the circuit.

From Valencia are Ron Mooers, who has pole vaulted 13-7, best in league, second in County, Valencia pole vaulters are ranked 1-2-3 in the league.

Alex Covarrubias and John Ast are hopefuls in the discus. The 440 relay team should also be one of the favorites.

The Bees and Cees track finals are also being held.

Second baseman Kent Carlson of El Dorado High School tags out an unidentified Brea player in last Friday's varsity baseball contest. El Dorado won the game 2-1 to move into a fourth place tie with the Wildcats.

Hendershot Beats Brea-Olinda

El Dorado's baseball team gained revenge on the Brea-Olinda Wildcats last Friday, with a 2-1 victory at El Dorado High School.

Phil Hendershot pitched the game and now has a 4-2 league record. In the last three games Hendershot has given up only four runs (21 innings).

El Dorado's other standouts are catcher Bill Ogg, second basemen, Kent Carlson, third baseman, Mike Healy, short stop, Dennis Falskem, and out fielders Jerry DeWitt and Larry Mathiesen.

El Dorado's overall record is 10-10 and the Hawks have averaged 3.2 runs per game and have given up 3.3 runs. The batmen have won seven of twelve one-run games and have won all three of their extra inning games.

In league the Hawks are 5-7 but are 4-1 in the second round of league play.

Tuesday April 28, the Hawks faced Katella and lost another heartbreaker, 5-4. DeWitt started and now has a record of 0-5 in league. Even though, he has been stated to be the best pitcher in Orange County and one of

the best CIF by the Anaheim Bulletin. DeWitt has an ERA of .85 and has struck out 94 batters in 74 innings.

Senior Larry Mathiesen is leading the club in hitting with a .382 batting average. DeWitt and Dennis Falsken both are hitting .343 while Hendershot is hitting .305.

Giants Still Undefeated

The Giants continue undefeated in the Major League of the Yorba Linda Little League following two more wins last week.

In their first game Ron Moore struck out 14 batters and held the opponents to two hits as they beat the Mets 7-0. Friday they defeated the Braves 2-0 as Dennis Doyel struck out 10. Doyel hit a home run in the first game while John Kacura went 3 for 3 at bat against the Braves.

The Dodgers won two games, defeating the Braves 8-2 as Paul Peterson struck out 13 batters, and went 2 for 3 at bat. In their second game Ken Trombley pitched a one hitter and fanned 11 batters to lead the Dodgers past the Phillies 3 1.

ED Soph Win

El Dorado's Frosh-Soph Baseball team upset Brea last Friday to win their first league game after 11 straight losses.

Jeff Ayer shut out the Wildcats as the Hawks scored two runs, enough to win.

Ayer pitched a three hitter and has been the leading Hawk pitcher all season. He lost a close 1-0 match to Los Amigos earlier this year.

Short stop Greg Hayes is leading the club in hitting with a .320 batting average. Kelly Bert and Danny Cash are the next leading batters. El Dorado has one more

game, tomorrow, at Los Alamitos as they hosted Saddleback last Tuesday, May 5. Their league record is 1-11 and they are coached by Dave Riely

Tiger Tennis Team Splits

Under Coach Don Brittingham the Valencia Tennis team won and lost last week. The victory came over hapless Los Amigos 25 to 2 1/4 and the smashing loss to Katella 24-4.

Against the Lobos everybody in the Tiger group got into the winners circle. All singles players swept their opponents led by number one man Richard Spitler, Dean Okimoto, Alan

Aguirre and Alan Winney. Both doubles of Charly Turnbull, Mike Edge and Tom Bowden, Don Gavel split.

It was a different story against the more experienced Knights as Spitler and Okimoto salvaged all the teams points by beating Katella's third and fourth singles players.

Look Back

"Look Back In Anger" by John Osborne is being presented by the Theatre Arts Department of Fullerton Junior College in the campus Studio Theatre in seven performances according to George L. Stoughton, FJC drama instructor who is directing.

Performances this week will be tonight, Friday night, and Saturday night. All performances begin at 8 p.m.

Osborne's play, "Look Back In Anger," was written ten years ago and uses Great Britain as its setting, according to Stoughton.

FJC Faculty

The Fullerton Junior College Division of Fine Arts will present a faculty recital next Sunday (May 10) at 8 p.m. in the Campus Theatre.

Featured on the program will be Dr. Anthony R. Desiderio, woodwind specialist and band director, and Richard H. Cruz, brass specialist and director of the Studio Jazz Ensemble.

The recital is open to the public without charge. The Campus Theatre is located at the corner of Chapman Avenue and Lemon Street in Fullerton.

Hiroshima

"Hiroshima — Nagasaki, August 1945," a film based on hitherto secret footage taken by Japanese photographers, will be shown for the first time in Orange County Wednesday, May 13, at California State College, Fullerton.

Sponsored by CSCF's American studies program of which Dr. David J. Pivar is director, the showing is free and open to the public. It begins at noon in the Little Theater.

Pivar warned that the film, distributed by the Columbia University Press, "is not pleasant but contains historical information which, under present circumstances, should be widely viewed."
